GAME TIME!

Terminator Gold

A beautiful afternoon of football saw our Terminator Gold facing the LaSalle Lightening at Broncos Field.

Presley opened the game with a booming kickoff deep, as Carson "Big Rock" Lambos sped down the field and pounced on the ball for a Broncos recovery and first down. Tazio "Bone Crusher" started as running back and he broke the first play for big yardage down the sideline.

B.L.

Filling in for an injured teammate Presley "Express" got the carry, smashing the ball up the middle into the end zone. It was then Carson's turn to boom a kickoff downfield and Scott "Sweetness" Lillie came up with the ball... another Broncos recovery and another Broncos first down with great field position.

Taking advantage of the turnover, "King" Cole

Davies took a hand off and ran untouched to the end zone. The second half saw our offense take the field with a 20 yard hard pick up by Reed "Des..." Davies (at this point he had still not earned his complete new nickname). Once again Presley "Express" took advantage of a gaping hole opened by Max "New Nickname Pending" Mulligan and Neel "Nitro Soni and delivered the mail up the middle to the house.

The defensive line led by lineman Joshua "Bone Crusher" Donay held on

the next series of downs and got the ball back for our offense. As the third quarter was winding down Liam "The Devastator" Johnson picked up his first of two interceptions on the day and took it 65 yards for the TD.

A special call out to "PJ" Skafffeld and Vince "The Hammer" Budde for consistent strong play on both sides of the ball. In the end Reed earned the Game Ball and his complete new nickname... "Destroyer". This week we will be visiting the Nomads on their home turf, should be another hard hitting game.

Atom Gold

Last Saturday the Broncos Atom Gold team played the North Winnipeg Nomads in a game that determined first place in the Saturday division.

The kids were outstanding in a 27 – 2 victory that

avenged an earlier loss to the Nomads. The coaches would like to credit all the kids for there effort on this very hot October day.

Once again on offence Drea Esposito and Drake Burgin played very well due to the outstanding blocking by our O-line consisting of Mac Rice, Ethan Knudsen, Allan Foran, Jonathan Sneesby, Korwin Van Engel and Ben Wicha. These boys had to work very hard against the larger Nomad players and preformed admirable.

On Defence a big call out has to go to Duncan Pierce who was all over the field making tackles.

This Nomad team put up 47 points on us in our last game but the presence of Duncan continually frustrated the Nomads and they could never get anything going.

Scenes from Atom Purple

Our first place Broncos will now host the Transcona Nationals in a quarterfinal game on Saturday at 2:00. So everybody come out, cheer us on and the kids will do their best to continue on our playoff run.

Pee Wee Playoffs New Season For All

One of the oldest cliché's in sports is that the playoffs are a "new season for all teams" and this is something that the Pee Wee coaching staff preached to the kids all week long as they prepared for their first playoff game of 2010. While our opponents (Fort Gary Lions) were a team that we had previously beaten, both squads were coming into this game with a 0-0 record meaning anything could happen.

The game started out on a positive note as Dylan Thiessen romped for a 60 yard score on the first possession of the game which helped to take some of the playoff jitters away. However, the team quickly found out that the "it's a new season talk" by the coaches was in fact

true as the Lions tighten down the screws turning the game into an amazing defensive battle for the entire first half.

With defence and field position being paramount in this game it was becoming evident to all that one big play could make or break this contest for either side. Fortunately for our purple clad crew the big play of the day came courtesy of cornerback Zach Landry with just under 2 minutes left in the first half when he pounced on a pass behind the line of scrimmage by the Lions QB and returned the ball almost 70 yards down to the Lions 4 yard line. With the crowd going wild on this turn of events the offence ran onto the field and converted Zach's play into another score which gave the team some breathing room and more importantly momentum at half time.

During the half time speech coach Wilson calmly reminded the kids that they must always respect their opponent which was something that lacked on the offence side of the ball in the first half. Coach also reminded the kids about their own capabilities as team and that if they played to the level they have all year, the second half would be ours. The kids then took this speech to the field in the second half on route to a first week playoff win with a 30-0 final score!

Without a doubt this game was owned by our entire defensive unit who picked the perfect day to have their best game of the season year to date. Joining Zach Landry's heroics was the solid play of "Big Cam" O'Hara who found himself in the Lions backfield all game long rushing both

the QB and punter. Cam's fierce play led to his tipping a pass into the hands of corner Nick Laping which all but put the final nail in the momentum coffin for the crew from south Winnipeg.

Finally the special teams kept up with their amazing streak of turn over action when James Albrechtson recovered the opening kick-off fumble to start the second half of the game.

While the offence definitely struggled in the game this week, it was a good learning experience for the entire team that you can never expect your past success to carry you further but instead you have to work hard each week as every team will be bringing their "A game" from here on in.

Next week the team will be travelling to face one of the always tough St. Vital Mustang squads.

This game promises to be another exciting contest for all football fans so mark your calendars, fill up your gas tanks and plan to head to coach Wilson's old stompin' grounds to cheer our Pee Wee Gold crew on to VICTORY!

Bantams Finish Strong

On a beautiful fall morning the bantams finished the regular season on the road at the Grizzlies. With our boys improving week after week, the coaches were excited to see what was going to happen.

Well the boys did not let us down and played great. The game started out what looked like a defensive battle.

At half time Grizzlies were up 8 to 6. At half time I talked to the boys and reminded them of the confidence & heart that each & everyone of them have shown. With the start of the second half Broncos started to take charge. On the defensive side our boys stood strong and made big hits.

The word on the street was that the Grizzlies running back had not been tackled at all this year.

Well I guess he got a wake up call this week with purple in his face all game. Super job boys ! On special teams big play of the day has to go to Quinn

for a blocked punt, nice job Quinn !

Once again our oline and running backs made some key blocks to allow us to score. This week our scores came from Kurt (2) Eric(1) Austin(2) and Travis(1).

So with the win we finish fourth with a record of 5 and 3. We now take on the Raiders on our field for game 1 of the playoffs.
