Shining Light on Broncos

By DAVE DONALDSON, For the Winnipeg Sun
August 11, 2010 8:34am

When opposing teams arrive at the Charleswood Broncos football field this season they might be blinded by the bright lights.

Thanks to the help of the late city councillor Bill Clement, who was affectionately known as the “Mayor of Charleswood,” the team was able to purchase lights that will illuminate the field when the sun goes down.

I had an opportunity to visit a practice and it’s a sight to be seen. The lights are strategically placed surrounding the main field with two light posts on each sideline. For a community club with teams ranging from terminator to bantam, this team will continue to be a great host to visiting fans and for coaches and players who stay after dark.

While I was admiring the lights, a player on the peewee team caught my attention by knocking every player on their butts during a tackling drill. They call her “KK” and Kyra Thiessen is one of their best players. As one of the new additions to the team, “KK” is a player to watch.

At the practice, the two atom teams, one peewee team and the bantam team were all preparing for the season. There is no doubt this club will field a plethora of talent.

The Manitoba Minor Football Association is comprised of teams which include terminator, atom, peewee, minor bantam and bantam. For more details and information go to www.footballmanitoba.com.

Bronco players to watch this season:

Atom team — running back Drey Esposito, fullback Drake Bergan, linebackers Devin Turner, John Sokolski and Kieran O’Hara.

On the other atom team — running back C.J Ringland and lineman Jason Bugas who already makes checks and calls the audibles.

On the peewee team — linemen Tony Rossi, James Albrechtsen and Cameron O’Hara, linebacker Kyra Thiessen and running back Wyatt Tait.

On the bantam team — Mr, Everything Kurt Parsons, linebackers Zach Esau and Tristan Sokil.

Dave Donaldson is a former Winnipeg Blue Bomber defensive back who played 10 seasons in the Canadian Football League and is now the regional scouting director for CSA Prepstar Canada.

Cash Calendars

As most of you know, Cash Calendar sales have begun. I only have a small amount left. There are many families who require more. In order to reach our goal for a sell-out, I am requesting that anyone who is not able to sell their 10, please return them for redistribution by August 21. I will be at the clubhouse on Saturday, August 14 & August 21 from 9:00am to 1:00pm collecting stubs, cash for sold calendars, as well as returned unsold calendars. I will also redistribute more to families who require them. Do not hesitate to contact me at tbumbry@shaw.ca to make alternate arrangements if needed!

I would like to announce that we have a team sales incentive for the Broncos team that sells the most Calendars. The Blue Bombers will grant a request for a player to spend some time with the team with the most sales! Remember the deadline for sales is Sept. 10 and our goal is a sell-out !!! Good luck everyone !! If you have not received a calendar, please see your manager.

Fill Up at Red River Co-op and Help the Broncos !

When you fill up at Co-op Gas Stations, please consider providing the Broncos Co-op number. The number is easy! 32-32-12 and this fundraiser is an "easy sell"– we all need gas! If you would like, there is a cut-out reminder at the end of this Bulletin to print.

Reminder Requirements from MMFA

As required by MMFA, all players and coaches must be officially registered in order to be actively involved in a game. Coaches need to provide registration forms, Child Abuse Registry Checks and Respect in Sport courses.

Players must provide their team manager with a completed Medical form and Code of Conduct form signed by themselves and a parent.

Mark Your Calendar!

August 28 - 29

Broncos Family Weekend where we will have three home games on Saturday and three home games on Sunday. During the home games, there will be lots of fun activities and the return of the very popular "Taco in a Bag"! Watch for details to come in following Bronco Bulletins.

Volunteers needed to help for preparation, sales and clean-up for Taco in a Bag, Face Painting, Candy Scramble and Half-time races. Contact Terri to Volunteer, call [897-9851](tel:897-9851).

September 25

Broncos Parents Night at the Thirsty Lion Tavern where Broncos parents, family and friends have a social evening for the grown-ups to get together, share Broncos stories and try to win a prize or two. We will need prizes for the event, of course. Last year's Team Baskets were a great success, as each team worked together to create a theme basket to be raffled off. There were also major prizes provided by individual donors. It's time to think about how you will contribute to the

fun. Do you have an item to donate, cash to help fill the basket, contacts in the community for sizeable donations? Every little bit helps; the time is coming near. Your manager will be in touch in the coming weeks with regard to creating the baskets, you can start talking to them now if you have any great ideas!

Each family will receive 2 tickets which will be given to the youngest player of the family. You can also purchase additional tickets for other family members and friends for \$10 each, contact Terri Coulson-Will at [897-9851](tel:897-9851).

Thank you for your support!
