2:00	<b>Broncos Terminator Purple</b>	vs	Crescentwood B	<b>AT Crescentwood</b>

**Cash Calendar  
Due Date  
Approaching!**

Way to go so far on  
Calendar Sales!

We have extended the  
sales deadline from **Sept  
10 to Sept 16** in order to  
reach our goal of a sellout.  
**SEPT 16** is the absolute  
deadline. I will be at the  
clubhouse for collection on  
the following dates:  
September 15 & 16  
from 6 to 8pm.

If these dates do not work  
for anyone please contact  
me [tbumbry@shaw.ca](mailto:tbumbry@shaw.ca) and  
I will accommodate.

Please check for updates  
in the bulletin.

**There are still Calendars  
available so if you are  
able to help us insure  
our goal please contact  
me or come to the club  
for more Calendars. GO  
BRONCOS GO!!!!**

# GAME TIME!

**Short-Handed,  
but BIG Efforts  
Displayed by  
Terminator Gold**

After a rain soaked week,  
Saturday turned out to be  
a beautiful day for football.  
A last minute venue  
change saw us playing the  
role of visitor to the  
Eastman Raiders at  
Broncos Field. We went  
into the game with only 9  
players but everyone  
worked hard, didn't give up

and attacked the ball. Our  
opposition coaching staff  
was extremely  
complimentary to the  
entire unit after the game.  
In the first half, Scott took  
a hand off from Reed and  
ran 40 yards down the  
sidelines before stepping  
out of bounds at the 5 yard  
line.

On the next play Scott  
scored his first touchdown

ever when he pounded the  
ball up the middle through  
a hole created by PJ and  
Liam. Everyone was asked  
to step up and play both  
sides of the ball.

It was sure fun to watch.  
When Presley carried the  
ball for a big gain then a  
couple of plays later ran  
the opposing back down  
with a touchdown saving  
tackle the entire coaching  
staff smiled and was  
proud.

The defense was not  
about to be out done. A  
great example was the  
dominating line play of  
Neel and Taz. At one point  
Neel spent more time in  
the backfield than their  
running backs! This  
allowed our secondary to  
stay fresh so when plays  
did break to the outside  
Carson, Cole and crew  
were able to track them  
down.

Well done gentlemen!

## ***Special Team Makes the Grade for Atom Purple***

---

Special teams made for a special game for the Atom Purple squad this week. We took our show all the way to LaSalle this week to take on the Fort Garry Lions. It was a game filled with highlights on both sides of the ball.

The defence was amazing all day making tackle after tackle and frustrating the Lions on every snap of the ball. The middle linebackers Jonathon Lambos and Tyler Grom did a great job cleaning up any runner who dared to try and run the ball. Other stand outs this week included the entire D-Line Zach Hillock, Zack Coulson, and Ben "the house of pain" Raine, this trio spent most of the afternoon in the Lions back field causing nothing

but trouble for the Lions QB. Outside Linebacker Jacob Cramer had more than a few timely blitz's on this day which help to kill several of the Lions drives

The Big O was able to put some big numbers thanks to some great blocking at the point of attack by the O-line (Tait, Fagan, Bugas, Rennie, Marquess), and some huge blocks down field by the RB's Owen Gilbert, Cameron Graham, and Charlie Ringland. This trio really worked hard to help each other and it showed with all of them having long runs during the game. Owen Gilbert broke not one not two but 5 tackles on his way to a 65 yard TD run. This day, however, belonged to #2, Charlie Ringland ran wild on Sunday, the Lions were bouncing off him as if they were light as air. Every run Ringland had was a highlight reel performance as he punched the ball in for 4 majors on offence and added a 70 yard kick off return touchdown for good measure. The most exciting offensive play was saved for the end of the game, Finley Tait took the Tackle around play and

Once again it was nine bodies working as one on D, great team effort boys.

The Big O was able to put some big numbers thanks to some great blocking at the point of attack by the O-line

This was truly a team effort and all three aspects of our game were in high gear on Sunday. **K.W.**

ran for an impressive 6 yard gain.

Well done Big O

As I stated special teams were special indeed on this day. It started with the kick off team, Kicker Owen Gilbert was booming kicks all day long and one players hustle and determination payed off not only once but twice. Jonathon Lambos showed great speed as he recovered two kick offs on Sunday. (lets see Jonathon one last week, two this week, I guess that means three next week). On the other side of the ball the kick return team was just as special. As mentioned Charlie Ringland ran one in from 70 yards out but not to be out done fellow returner Tyson Wood also ran a 65 yard kick off in for the major.

## *Rider Pride Fuels Lawrence In Pee Wee Gold Tilt*

With the annual Labour Day battle between the Bombers and Riders just one day away, player Caden Lawrence could have been excused if his mind was elsewhere for week 4 of pee wee action. For those readers not familiar with the Lawrence family, they are the die hard Rider fans who proudly wear their green colours each weekend. While you would be hard pressed to find any Rider fans on the pee wee coaching staff, we did take this opportunity to use that "Rider Pride" to our advantage. During the warm-up for the game, Coach Wirth approached Caden and made him a deal which was that if Caden scored his first touchdown of the year that day, coach Wirth would wear a Rider sign around his neck at a practice this coming week. Well

Bronco fans, can you guess what happened? That's right, Caden used that Rider incentive to uncap an amazing 62 yard touchdown run which played a key role in a 38-6 victory over the Lions of Fort Garry.

In addition to the exciting play of Caden, the entire offensive unit had a solid outing featuring a highlight reel behind the head catch made by Morgan Wokes.

Morgan, who has been given nicknames like "Big Train" and "The Beast" at various points this season, can now add "Mr. Versatility" to the list. The versatility tag comes as a result of Morgan pounding up big yards as a running back, making amazing catches as a receiver, and then stepping up to fill a spot on the o-line for a few plays due to injury.

Over on the defensive side of the ball Coach Jackson's crew brought their proverbial "A-

game" to help propel the team back to an even 2-2 record.

Aside from a momentary lapse in the second quarter which resulted in a Lions touchdown, the defence dominated the play for most of the day highlighted with fumble recoveries from Reese Gould and Kevin McKinnon at key points during the contest. Another bright spot on the d-side was the play of first year player Zach Landry who stepped up with solid coverage and tackling throughout the entire contest. Though still a raw rookie, Coach Wilson sees great things for Zach in the future as he is a smart player who quickly brings what he learns at practice to the game field.

As is the case with every victory, the coaching staff hands out a "Hammer of the Game" award. This award is given to a player for any number of reasons including; a big hit, hard

running, good tackle or game saving play.

Honorable mentions for the hammer in week 4 went to Dylan Thiessen for another great performance running with the ball, and to Trajan Bourdon who alertly jumped on a loose ball which allowed our team to continue on a touchdown drive. The hammer itself was awarded to o-lineman Carson Cockwell for a play in which he ran 30 yards downfield to lay a huge hit on a player trying to return a punt.

Next week the team takes its' 2-2 record on the longest road trip of the season to Brandon, Manitoba. Though most Bronco fans will be unable to attend in person, you can catch the game on the

Bronco Sports Network (assuming you paid extra for that service at registration this season).

Good luck to all teams in week 5 and be sure to stop by practice this week to see Coach Wirth wearing his Rider Pride sign !

Kevin Wirth*

### ***Minor Bantams Demonstrate Undying Efforts***

Saturday, Sept 11th the Minor Bantam Broncos took on the Fort Garry Lions. The 1st quarter started with a Kick-off to the Lions. Christian Chambers and Tyler Hrousalas had a great gang tackle to start the game off with a Lions take down. But the Lions showed no sign of fear as they quickly ran in a touchdown followed by a successful convert to start off the game 8-0. Alex

Eberling had a good kick return to gain us field position. Our next 4 plays in the series resulted in 3 first downs, but it wasn't enough. Fort Garry regained possession to score once again. The quarter ended with Broncos 0 Fort Garry 24.

Our second quarter yielded better results, picking up 2 touchdowns and a convert to give us 14 points going into the half time show. In the first half we showed some great effort on offense with good running yards by Max Baldam, Luke Ushakas and Riley Dirks. Austin (Auggie) Coutts gave us some great action on the option plays with his accurate passing. Although we had a few hiccups in the back field, the O-Line performed well in maintaining control of the Lions defense. Luke Sperry and Daniel Patterson did a fantastic job as Center with accurate and powerful snaps.

the Lions weren't finished yet as they got past our defense and locked down the score at 52-20. To add insult to injury our last play of the game was intercepted and the Lions finished the game on a kneel.

and everyone showed positive respect for the other team even when it seemed hopeless.

This weekend it is off to Brandon for a Saturday morning game against Westman.

*Submitted by Paul Eberling*

Third quarter was owned by the Lions as they edged up on us with a few more TDs to take the score to 46-14 Lions. Highlights were a great Block by Justin Link on the Lions Convert attempt (in fact the entire defense had an outstanding team effort on this Block) and a great Lions On-side kick attempt recovered by Adam McDonald to keep the ball from the Lions. Fourth quarter action picked up as the Broncos gathered steam to punch in another touchdown. But

All in all it was a game that gave us valuable insights into each of our player's skill sets and showed us the willpower that our players maintain when the going gets tough. No one shut down

### ***Bantams Bye Week***

---

All of the coaches are proud of our kids and as we move through the season they will continue to improve and fine tune their skills.

**P.E.**

As always, THANK YOU! To all the volunteers that make the games possible:

Stick Crews, Tee Monkeys, Announcers, Canteen and BBQ servers, Refs, Time Keepers!
